

CONSENT FORM

TO POST VEHICLE & OWNER INFO TO THE CLUB WEB-SITE

What is Happening:

A small, committed group of members are spearheading an initiative to update the club's web-site at www.fabulous50sford.com. Our goals are to make the site more interesting for club members and to make it a "must do" destination for the public and others in the classic vehicle hobby. We are setting up an on-line photo album of "Members Vehicles". Betty has a number of photos of members' vehicles that we can start with.

What We Need from You

1. Updated list of your vehicles (if the club roster doesn't have the right information)
2. If you have not previously sent in a photograph of your vehicle(s), we will need a photo (digital or a photograph which will be returned to you once it is scanned).
3. Your permission to include your vehicle photo, year, make and model of each vehicle, and your name in the club's on-line photo album.
4. Your direction on how to list the ownership of the vehicle. We will not include addresses on the web-site. If you wish to make it more difficult for members of the public to locate you, you can list your first name with only the initial for your last name. Members can still locate you through the roster which will not be on-line. Whatever your preference, please let us know:

Email Adrien Poirier at adrienp@mts.net or

Mail this form back to Betty Lannoo at 29 Saturn Bay Winnipeg, MB. R3T 0Z8, [You can fold this form, tape or staple it with Betty's address showing on the reverse of this page], or

Bring your information (this form, photos, and changes to the roster) to a club meeting or event and give it to Adrien Poirier or Betty Lannoo.

When do we need this?

An early response will keep this project rolling. You can see the latest changes by going directly to www.fabulous50sford.com now and periodically checking to see what else has been added.
